

ANNUAL DRAW 2009

The Annual Draw will take place on Friday, 16th January 2009

All funds raised from the Annual Draw are vital to enable the Association to continue its work, and as a newly accredited Charity, we influence Government departments and Agencies over all issues affecting the aquatic environment and its dependant species.

We would like to thank all of the individuals, clubs and Trade Members who contribute so generously to our draw.

1st Prize - A Cheque for £500 from The Salmon & Trout Association
